

KAWARTHA PINE RIDGE DISTRICT SCHOOL BOARD

POLICY STATEMENT

Section: Business and Administrative Services

• Transportation

Policy: TRANSPORTATION: STUDENT SAFETY

Policy Code: BA-8.6

Page 1

Safety is of paramount importance to the Board when dealing with students who either walk and/or are transported to school. As a result, the Board encourages and supports the utilization of school safety patrols, school bus safety patrols and adult crossing guards (recognizing that the allocation and management of crossing guards falls under the authority of local municipalities), and "Walking School Bus" programs. "Walking School Bus" programs are programs facilitated and supported by some health units and run by the school community where volunteer parents walk children to and from school.

oard recognizes the importance of conducting an annual school bus evacuation program forms students of the safety features of a school purpose vehicle and how to deal with ected emergency situations while being transported.

an environmental perspective, the Board acknowledges the need to address concerns which egarding exhaust fumes from idling school vehicles.

ition, the Board recognizes the need to make provisions for the transportation of students ife threatening allergies.

event of a provincially or locally declared state of emergency or health pandemic, the will ensure that Student Transportation Services of Central Ontario (STSCO) follows the ibed bus transportation safety guidelines as set out by the Ministry of Education, the try of Health and/or local public health units.

nistrative regulations will reflect the philosophy of this policy.
